REGISTRATION INFORMATION

This year's camp will cost The Heather and Rose \$25 more per person to put on. This reflects housing and food increases, and adding a sound tech to our staff. In a leap of faith we have decided to fundraise a bit and NOT to raise fees this year. We have a couple of ways to suggest for you to support camp. First, if you can, please consider rounding up your registration by \$25. It will be deeply appreciated. As always, support the silent auction and rummage sale at camp. And watch for garage sales by individual branches this spring and summer.

Space limits us to the first 70 dancers. Registration form accompanied by a deposit of half the full registration amount is due by **April 30**. Fifteen dollars of this deposit is non-refundable. The balance of your registration is due by **May 15**. **There will be no registration at camp. May 15** is also the last day to cancel and still receive a partial refund. A few weeks before camp you will receive a confirmation letter with a map.

Partial work scholarships are available. This job involves meal set-up, non-dishwashing cleanup, and facilitating end-of-camp cleaning. To apply contact Dorothy Attneave by email: attneave@uoregon.edu

Please send registration forms and fees to:

The Heather and the Rose Country Dancers
Present

**Suttle Lake
Dance Camp**
June 2-4, 2017

Dear Dancers,

Join us at beautiful Suttle Lake nestled in the mountains of the Deschutes National Forest just west of Sisters. If you love to dance, if you love joyful live music, fabulous food, and best of all, the good companionship of old and new friends, this is where you need to be the first weekend in June. Camp celebrates its 28th year, the time honored rite of the beginning of summer.

We have two inspired teachers, Rosemary Lach from Victoria Canada, and our long time friend Chuck Ryer from Eugene. Returning this year will be our well-loved musicians "The Fine Companions" from Portland. Round all this out with wonderful food prepared by Annie Johnston and we are set.

Our annual fundraiser, the on-site silent auction is your chance to help out. Please consider contributing a handmade item, a gourmet goody basket, something small and pricey, or anything you think would entice someone to bid. Another support opportunity is the rummage sale. This is a chance to revamp your wardrobe, pass on some good books etc. Bring something old, go home with something new.

Our particular Heather and Rose dance tradition uses gender free, global terminology and invites dancers to simply form up sets coming as we are as individuals. This creates the open welcoming environment we all treasure.

See you at camp!

TEACHERS

Chuck Ryer is from Eugene, Oregon. He has been a Scottish country dance teacher for 36 years. In addition he teaches English country dance and Irish *ceilidh* dance. His teaching career began in 1981 when the teacher for the Eugene class moved to Seattle, and Chuck stepped in to keep the class going. He received his teaching certificate from RSCDS in 1988, and has taught weekly classes in both Eugene and Corvallis. Among others, he has served as guest teacher in Seattle, Victoria, San Francisco, Portland and Bend. He is also a deviser of country dances and has published five collections of dances.

Rosemary Lach has been dancing all her life and calling English country dancing for more than 15 years. She grew up dancing in England. In 2000 she attended Cascadia, a dance weekend in Seattle, and her love of English dancing re-surfaced. Rosemary returned home to Victoria and immediately sponsored the first of what was to become the annual Hands Across the Water dance weekend which attracts dancers and callers from far and wide. She founded the Victoria English Country Dance Society, calling its weekly dances for many years, while encouraging the growth of new callers. Rosemary travels regularly to dance and call, attending Pinewoods and Hey Days whenever possible. She is delighted to be calling at Suttle Lake.

MUSICIANS — THE FINE COMPANIONS

Betsy Branch has been a mainstay of Portland's English, Irish, and contra dance community for many years. Her exuberant fiddling has delighted dancers on both coasts. Her enthusiasm and playfulness are infectious, and we are always happy to have her play for us, along with...

Lisa Scott, whose sensitivity to dance rhythms and lyrical style have made her piano music a joy for dancers, ideally suited to both English and Scottish forms.

Erik Weberg is a regular musician and caller at country and contra dances in Portland and around the country. In addition to flutes, he plays Scottish small pipes and bombardes.

Bill Tomczak has been playing folk dance clarinet for nearly 40 years. Since moving to Portland, he plays regularly for English country and contra dances on clarinet, tenor saxophone and percussion.

THE STAFF

Ann Johnston is a gourmet cook who can feed a crowd with extraordinarily good food.

Katherine Bragg licensed massage therapist, effectively uses selected techniques from new and old traditions for pain relief and relaxation. Sign up early for a massage.

Childcare is available at camp at no cost to our dancers. Please let us know your childcare needs early.

Again this year! NO DISHWASHING BY CAMPERS!!!
